Student Parking at College

THIS APPLIES TO ALL STUDENTS, INCLUDING THOSE ON EVENING AND WEEKEND COURSES

To park in the college car park, you must either:-

1. Register in advance for a free E-Permit and pay 50p daily through JustPark - **You cannot apply for your free E-Permit via the JustPark app**

OR

2. Purchase a pre-paid E-Season Ticket.

You need to visit the CCG E-Store on the following link to arrange either of the above options:- https://estore.chichester.ac.uk/product-catalogue/chichester-college-group/parking

Alternatively, please use this QR code to apply for either of these options:-

Students who have not yet enrolled should use their student ID – this will have been given to them when they applied for their course. Apprentices should use their birth date in an eight-digit format (ddmmyyyy eg 01012002).

Free E -Permits

E-Permit holders can pay daily using JustPark, either through the app, on the website, or by calling 07520 63 44 55 and quoting the College's JustPark location ID (this can be found on the signage in the College car park). This must be done within 30 minutes of entering the car park. Without an E-Permit, even if you pay the daily charge, you may still receive a Parking Charge Notice.

Pre-Paid Season Tickets

A Pre-Paid Season Ticket allows you to pre-pay for your selected amount of days; you can purchase a termly or annual season ticket. You can apply for this on the CCG E-Store.

Season ticket costs are as follows:											
Annual						Termly					
Days per week	1	2	3	4	5	Days per week	1	2	3	4	5
Cost £	14	28	42	56	70	Cost £	5	10	15	20	25

If you change vehicles at any time after originally registering, you will need to register the new vehicle. Vehicle updates need to be provided by email to carparking@chigroup.ac.uk with a minimum of 48 hours notice, to allow sufficient time for the ANPR system to be updated prior to the new vehicle entering the site.

For more information on parking, please see the signs in the car park or visit the website of the College where you're studying.
